Crack Seal

Description	Total
-------------	-------

Blow out and fill cracks with hot rubber. Crack Seal material to be supplied by county. Price: \$ 625.00/ton. Price includes 3 man crew with one flagger behind melter. Does not include any major traffic control.

625.00

DISCLAIMER: This price is based on today's Material prices. Any change in material prices or fuel prices may result in a change in contract price.

EXCLUSIONS (Unless noted above): Traffic Control, Towing, Removal of water or construction debris, Bonds, Fees, Permits, Surveying, Testing, Engineering, Sawcutting, Sterilant or Insurance in excess of our current policy (Insurance certificate will be provided on request). Note: Any delays caused by these exclusions will automatically add time to the contract period and will result in a change order.

PERSONAL GUARANTEE: Ridge Rock, Inc. (RRI) will provide materials & services as described. Any changes may require a change in the contract price. Buyer hereby agrees to terms of any change orders submitted by RRI. The price for the work shall be as per actual quantities and unit prices as listed above. All quantities shall be field verified. Signer personally guarantees payment to RRI in full within ten (10) days following the date of RRI's invoices, without retention regardless of the final completion date of the work. In the event that payment is not made to RRI as provided herein, RRI shall be entitled to all of it's costs, including attorney's fees and lien fees, in connection with the enforcement of it's rights under this contract, whether or not legal proceedings are instituted. In addition, RRI shall be entitled to interest on all past due accounts under this contract, which interest shall accrue at the rate of 1-1/2% per month from the date payment is due until payment is received by RRI.
