1	installation	\$800.00			
<b>Total</b>		\$21,830.96	\$17,276.64	\$17,231.00	

I request that we purchase all of the new Grantsville Senior Center Kitchen materials through Resco and have them take care of installation as well. Resco is comparable in material price and labor. Standard and Restaurant equipment do not provide installation. We have an existing relationship with Resco and they have been very helpful in the past in regard to servicing our equipment and providing us needed materials. **This will be funded by the CDBG project.**
