The actual value is based on present market conditions, condition of the machine as presented by the inspector, and projected repairs to re-market the machine.

TRADE-IN VALUE: \$4,000.00

Bale Squeeze

Farmers and other agricultural professionals can appreciate the increased productivity of a skid steer with the addition of any CEA bale mover implement. Whether you're moving a round, square, or wrapped bale, you are sure to find the bale mover that is right for you.

The bale squeeze is excellent for wrapped bales. Clamps loads from 28" (711 mm) to 80" (2032 mm) wide, comes with hoses and couplers. Maximum lift capacity is 2,400 lbs.

- ⊙ LIFT, MOVE AND STACK ROUND OR RECTANGULAR BALES
- ⊙ IDEAL FOR MOVING SILAGE BAGS
- ⊙ MOVE WRAPPED BALES WITHOUT DAMAGE

BOBCAT ANNUAL TRADE OUT PROGRAM

After the purchase of a new unit, Intermountain Bobcat, a division of Scott Machinery Company, offers the following trade out option on all Bobcat skid steer loaders. Attachments are not included. Intermountain Bobcat will supply a new unit equipped as specified providing the following criteria is met.

1. All unit(s) must remain in the possession of the purchaser for a minimum of 11 (eleven) months and no longer than 13(thirteen) months or prior to the standard warranty expiration date.
2. The trade out unit(s) will be supplied at *no charge providing that the factory installed options have not changed and/or manufacturers' suggested list price has not changed (i.e. inflation, materials, supplies, or suppliers, etc.). Any increase in the manufacturers' suggested list price, customer changes in factory installed options, and additional customer requested or dealer installed items would need to be paid prior to the delivery of the trade out unit (s). Dealer installed/provided items, surcharges, and freight will be deducted from the trade value. (The original purchase price)
3. The bucket, tires, and wheels (where applicable) will be exchanged at the time of delivery, requiring the purchaser to retain the original bucket, tires, and wheels. Units delivered with new tires, wheels, and bucket will require payment upon delivery for these items.
4. Intermountain Bobcat will allow a maximum of 400 hours of use per year at no charge. Hours in excess of allowed usage would be charged at \$15.00 per hour.
5. Unit(s) are to be maintained as outlined in the manufacturers' operation and maintenance manual. Purchaser is responsible for all service and lubrication required under warranty. Unit(s) must not be in need of major repair and be fully operational.
6. Bobcat PROTECTION PLUS EXTENDED WARRANTY for 24 months / 2,000 hours (Full Machine) must be purchased upon delivery or within 45 days after the date of delivery.
7. Delivery within a sixty-five mile radius of Salt Lake City is included in the purchase price. A fee of 1.50 per mile will be charged after sixty-five miles.
 - Intermountain Bobcat reserves the right to submit any and all changes to the terms and conditions of this agreement 30(thirty) day's prior to implementation of change. This program is subject to change or cancellation at any time.
