

**Letter of Understanding
Between
The Utah Communications Agency Network (UCAN)
And
Tooele County**

**For the purpose of Nelson Peak Space Location, T-1 Connectivity, Generator
Maintenance and Helicopter Trip Coordination**

The purpose of this letter of understanding is to define responsibilities in the joint agreement between UCAN and Tooele County for location of equipment in the communications facility operated by UCAN at Nelson Peak, in exchange for T-1 connectivity to radio sites, surplus equipment, maintenance of emergency generators at Black Crook Peak and coordination of helicopter transportation trips to communication sites. It is not the intention of the parties to enter into an Interlocal Agreement or binding contract or contract for services with this letter of understanding.

UCAN will provide:

1. UCAN will provide rack space for Tooele County in the facility at Nelson Peak for the installation of microwave equipment, radio equipment and appropriate antennas on the UCAN Tower.
